

Back to school after a long Holiday

Thanks to Distance Support Program, Meeting Point International is currently supporting over **1,087** Children in education and their families.

New fashion of Crafts made by the Women

MPI Women are making new fashions of paper bead neckless and other types of hand Crafts as means to support their families and we are together, hand in hand to look for market for there products [Click here](#)

The Teachers Visit at Meeting Point International

Since the school started, the history of the school has always been explained to us many times, that it was born out of the experience the women of Meeting Point International (MPI) had with Rose Busingye. [Read more](#)
