## **REPORT OF THE DIRECTORS**

The Board of Directors takes great pleasure in presenting their Annual Report with the audited Financial Statements for the year ended 31 December 2022.

### **1. Principal Activity**

MPI is a Ugandan Non-governmental organization operating in the main slums situated in the areas of Banda and Kireka, Kamuli, Naguru, Nakawa, Ntinda, Kitintale, and scattered cases of Luzira.

Its main activities have been the care of people affected and infected by HIV/AIDS and their orphans.

### **2. Results**

The operating results for the year ended 31 December 2022 are set out on page 8.

### **3. Auditors**

JWIS & CO. Certified Public Accountants were appointed as Auditors and have expressed their willingness to continue in office.

### **4. Acknowledgement**

The Board of Directors wishes to express its deep appreciation of the support, assistance and encouragement the Organization has received from the donors and other stakeholders. The Board of Directors further expresses its appreciation for the co-operation extended by the staff and employees during the year.

### **5. Approval of the Financial Statements**

The Financial Statements were approved at a meeting of the Board of Directors held on .....  
2023

**By Order of the Board**

**Secretary**

Date:

## **MEETING POINT INTERNATIONAL**

### **STATEMENT OF THE BOARD OF DIRECTORS' RESPONSIBILITIES**

The organization's directors are responsible for the preparation and fair presentation of the Financial Statements, comprising the Statement of Financial Position as at 31 December 2022, the Statement of Comprehensive Income, and Cash Flow Statement for the year then ended, and the Notes to the Financial Statements, which include a summary of significant accounting policies and other explanatory notes, in accordance with International Financial Reporting Standards and the Uganda Companies Act.

The directors' responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of these Financial Statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. They are also responsible for safeguarding the assets of the organization.

The directors accept responsibility for the Financial Statements set out on the pages below, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, in conformity with International Financial Reporting Standards and the requirements of the Ugandan Companies Act. The directors are of the opinion that the Financial Statements give a true and fair view of the state of the financial affairs and the loss for the year ended 31 December 2022. The directors further accept responsibility for the maintenance of accounting records that may be relied upon in the preparation of financial statements, as well as adequate systems of internal financial control.

The directors have made an assessment of the organization's ability to continue as a going concern and have no reason to believe the business will not be a going concern in the next twelve months from the date of this statement.

#### **Approval of the Financial Statements**

The Financial Statements of the Organization, as indicated above, were approved by the Board of Directors on ..... and were signed on its behalf by:

**DIRECTOR**

**DIRECTOR**

## **REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF MEETING POINT INTERNATIONAL**

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the Financial Statements of Meeting Point International (the Organization), which comprise the Statement of Financial Position as at 31 December 2022, and the Statement of Comprehensive Income, and Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a summary of significant accounting policies.

In our opinion, the accompanying Financial Statements give a true and fair view of the financial position of Meeting Point International as at 31 December 2022, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and Companies Act, 2012.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and Guidelines issued by the Institute of Certified Public Accountants of Uganda. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants (IESBA Code)* together with the ethical requirements that are relevant to our audit of the Financial Statements in Uganda, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter**

Without qualifying our opinion, we draw your attention to note 1 which indicates how COVID 19 has affected Meeting Point International to date and resulted into certain material uncertainty relating to the future financial position, performance and cashflows of the Organization.

In response to this matter, the Organization has taken the following actions:

- Postponed some of its activities that were to be performed during the year.
- Created awareness among its stakeholders including employees and stakeholders by availing information about the virus and.
- Put in place necessary standard operating procedures (SOPs) to protect their employees and stakeholders from the pandemic.

In addition, the Crisis Management Team and continuity plan have been activated to deal with the potential negative impacts of the pandemic on the Organization's going concern.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

## **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the Financial Statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies Act, 2012, we report to you based on our audit, that:

1. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
2. In our opinion, proper books of account have been kept by the Company so far as appears from our examination of those books; and
3. The Company's statement of financial position and statement of comprehensive income are in agreement with the books of account.

The engagement partner on the audit resulting in this independent auditor's report is CPA James Isiko.

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022**

### **1. PRINCIPLE ACCOUNTING POLICIES**

The principal accounting policies adopted in the preparation of these Financial Statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated in which case presentation and restatement, if necessary, in accordance with IAS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, is adopted.

#### **(a) Basis of Preparation**

The Financial Statements are prepared in accordance with and comply with International Financial Reporting Standards (IFRS).

The Financial Statements are prepared under the historical cost convention, as modified by the carrying amounts of available for sale investments at fair value and impaired assets at recoverable amounts.

These Financial Statements are presented in Uganda Shillings, which is the organization's functional currency.

The preparation of Financial Statements in conformity with International Financial Reporting Standards requires the use of judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of Financial Statements and reported amounts of revenues and expenses during the reported period. Although the estimates and associated assumptions are based on the Board of Directors' best knowledge of current events actions and historical experiences, actual results ultimately may differ from those estimates

#### **(b) Revenue Recognition**

Revenue is measured at the fair value of the consideration received or receivable and represents the amounts receivable for goods and services provided in the normal course of business. Revenue is recognised only when it is probable that the economic benefit, associated with a transaction, will flow to the organization and the amount of revenue can be calculated reliably.

Interest is recognised on a time proportionate basis taking account of the principal outstanding and the effective rate over the period to maturity when it is determined that such income will accrue to the organization.

#### **(c) Translation of Foreign Currencies**

Items included in the Financial Statements are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). The Financial Statements are expressed in Uganda Shillings, which is the Organization's functional and presentation currency.

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement.

#### **(d) Inventories**

Inventories are stated at the lower of cost and net realizable value. Cost is determined on a weighted average basis and includes transport and handling costs. Net realizable value is the estimate of the selling price in the ordinary course of business, less the cost of completion and selling expenses.

**(e) Property, Plant and Equipment**

All property, plant and equipment are initially recorded at cost. The cost of an item of property, plant and equipment is recognised as an asset when:

- It is probable that future economic benefits associated with the item will flow to the organization; and
- The cost of the item can be measured reliably.

Costs include costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognized.

The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located is also included in the cost of property, plant and equipment. Property, plant and equipment are subsequently shown at market value, based on valuations by external independent valuers, less subsequent accumulated depreciation and impairment losses.

Increases in the carrying amount arising on revaluation are credited to a revaluation reserve. Decreases that offset previous increase of the same asset are charged against the revaluation reserve. All other decreases are charged to the profit and loss account.

Depreciation is provided to write down the property, plant and equipment, on a reducing balance basis, over their useful life, to their residual values, as follows:

Leasehold land	Over the lease period
Permanent buildings	4%
Furniture and office equipment	12.5%
Computers	33%
Motor vehicles	25%
Furniture and fittings	12.5%

The residual value and the useful life of each asset are reviewed at each financial period-end. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item shall be depreciated separately.

The depreciation charge for each period is recognised in profit or loss unless it is included in the carrying amount of another asset.

The gain or loss arising from the disposal of an item of property, plant and equipment is included in profit or loss when the item is derecognized. The gain or loss arising from the de-recognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item.

Property, plant and equipment are carried at cost less accumulated depreciation and any impairment losses.

**(f) Impairment of Assets**

The carrying amounts of the organization's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated, and an impairment loss is recognised immediately in the profit and loss account.

**(g) Cash and Cash Equivalents**

Cash and cash equivalents comprise cash on hand and demand deposits and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value. These are initially and subsequently recorded at fair value.

**Bank Overdraft and Borrowings**

Bank overdrafts and borrowings are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is

recognised over the term of the borrowings in accordance with the organization's accounting policy for borrowing costs.

**(h) Comparatives**

Comparative figures covering the previous period of trading are provided.
